

*Help up **CELEBRATE** an incredible 20 years ! If you've supported Racquet for the Cure at any time over the past two decades ... Thank You ! If you're not familiar with it ... please read on !*

Founded in 2000, Denver's original **Racquet for the Cure** is a unique, long-running racquetball tournament fundraiser that benefits the Denver affiliate of Komen for the Cure.

Now celebrating **20 consecutive years** of giving, education and competition, the 2019 event will be hosted by the **Highlands Ranch Recreation Center**, kicking off with a special Mixed Doubles Benefit Fundraiser on Friday, February 1, followed by Women's team division play and a Men's one-day shootout on Saturday, February 2.

How can you help? To offer the highest quality tournament experience for Colorado athletes – and engage additional donors – sponsorship funds help offset the cost of hosting what has become one of the premiere women's-only formats in the country.

Direct funding allows us to offer top-notch hospitality and underwrite event souvenirs and prizes. Your **value-in-kind donations** can also aid us in maximizing our fundraising efforts, by providing items that will be shared with our attendees, individually or as a group. With help from corporate and individual sponsors, we are able to treat our entrants and guests to a first-rate event, to which they respond – in turn – with pink-ribbon charitable donations.

In 2000, the Racquet for the Cure concept originated in Denver, setting a standard for successful events of its type nationwide. Here in Colorado, RFTC has grown from raising a modest \$200 in the first year, to generating \$113,500 in total contributions to date. And even though we're pleased by that, each year we work toward improving the tournament so that we can do – and donate – even more.

RacquetfortheCure.com promotes and recognizes our sponsors year-round, while generating both local and national media coverage. We hope that you'll join us by partnering with a specialty event that combines the fun of a popular sport with the promise of aiding the lives of men and women suffering and healing from the devastation of breast cancer.

Racquet for the Cure is an uplifting way to make a difference and we'd love to have you take part in celebrating this very special benchmark year!

Thank you in advance,
