74-89	No divisions fielded		

* Elite = Open Consolation winners, unless separate divisions were entered/fielded in advance.

**Where open divisions were played in round robin format (no consolation), the #2 finisher is named the Elite Champion.

- Where no division is fielded, but a consolation round is played in the higher division, that consolation winner is shown as the lower (missing) bracket champion; i.e. B consolation = (no division) C champion.
- In combined skill divisions, the consolation winner = lower division winner; unless a head-to-head playoff determined a winner.
- In combined skill divisions, sole division entrants are awarded the title for the original division entered.
